**Re: In re WorldCom Securities Litigation**  
**Master File No. 02 Civ. 3288 (DLC)**

Dear Judge Cote:

On behalf of Arthur Andersen LLP ("Andersen"), we write to request a one day extension to submit proposed jury instructions. We ask to be allowed to submit the proposed jury instructions on Tuesday, April 12, rather than the current submission date, April 11.

Given the complexity and number of issues in this case, we believe the additional time will allow us to clarify the proposed jury instructions.

Counsel for Lead Plaintiff has informed us that they do not oppose this request.

Respectfully,

  
Jonathan J. Walsh
