ORDER

DENISE COTE, District Judge:

This Court has received a letter, dated August 10, 2006, from WorldCom Class Member Gilbert Greenbaum ("Greenbaum") seeking guidance about the treatment of his claim by the Claims Administrator. The Claims Administrator has not processed Greenbaum's claim because it was postmarked on June 28, 2006, which is after the June 15, 2006 cut-off date for new claims.

On June 14, 2005, this Court issued an Order ("June 14 Order") that addressed, inter alia, the process through which this Court will consider claims after a final rejection by the Claims Administrator:

If a Class Member timely responds to a deficiency letter or rejection letter by providing an explanation and/or documentation in response to such a deficiency letter or rejection letter, Lead Counsel, through the Administrator, shall determine whether such explanation and/or documentation is sufficient to remedy the deficiency or reason for rejection. If Lead Counsel, through the Administrator, determines that the explanation and/or documentation submitted in response to the deficiency letter or the rejection letter is sufficient, such claim shall be deemed a valid claim. If, on the other hand, Lead Counsel, through the Administrator, determines that the explanation and/or documentation is not sufficient to remedy the deficiency or reason for rejection, or if no timely response is made to

the deficiency letter [or] rejection letter, then such claim shall be deemed finally rejected. Such finally rejected claims shall be submitted to the Court as disputed claims at such time as Lead Plaintiff moves the Court for an Order approving the distribution of the Net Settlement Funds. Notice of any hearing on such motion shall be provided to all Class Members whose claims are disputed.

(Emphasis Supplied.) It is hereby

ORDERED that the Court will address any disputes about the rejection of claims including the Claims Administrator's decision not to process claims during the process set forth in the June 14 Order.

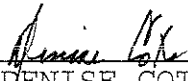

IT IS FURTHER ORDERED that, until that time, class members wishing to inquire about or protest the Claims Administrator's processing of their claims must write Lead Counsel:
